

# THIS BATHROOM IS FOR **EVERYONE**

There are real impacts when public bathrooms are labeled for women or men *only*...

*"I can't even tell you how many times I've been asked if I was in the wrong bathroom!  
I just need somewhere I can go!" — EJ*

- Trans & Gender Non-Conforming people often face **discrimination, harassment, arrest or violence** in bathrooms!
- Everyone should get to do their makeup, change clothes, change their babies & use the bathroom in peace.
- Everyone who needs help should be able to use the facilities with their family members, attendants & friends.

*"It is hurtful and scary when I am stared at, questioned, asked to leave a bathroom, or told that I am in the wrong place—  
especially when I just need to GO!" — Anonymous MCC Congregant*

*We know that sharing a bathroom could feel new and different —  
It's important that we work to create safer spaces whenever and wherever we can.  
Thanks for helping make this space **safe for everyone!***
